JULIA SHERMAN SMITH,

Superintendent's Report

To the Citizens of Sandwich:—

I hereby submit my fourth annual report as superintendent of schools, it being the sixth in the series of such reports.

The schools have progressed well. About half the teachers are new in Sandwich, but they have generally taken up the work well. The work is being constantly tested, defects remedied, and better methods considered. Pupils look forward with interest to attendance at high school, and are inspired to better work. Of those who graduated from the eighth grade last June, all but one entered high school this fall. The exhibition at Sandwich Fair showed some fine work which would compare favorably with that from larger schools.

Our school record for the year ending June 30, 1924, showed an average attendance of 69 and an average membership of 76 and a percent of 90. The total enrollment was 86—49 boys and 37 girls.

Several of the schools are small. Sandwich sadly needs more boys and girls.

There are seven teachers in the employ of the district:—

Uldine J. Bryan at Chick's Corner has 10 pupils.

Flora B. Haley at Lower Corner has 6 pupils.

Ethel C. Smith at East Sandwich has 7 pupils.

Maude S. Davis at Whiteface has 8 pupils.

Elizabeth J. Meader at North Sandwich has 7 pupils.

Nellie L. Muzzy at the Center Grammar School has 18 pupils.

Belle E. Forbush at the Center Primary has 18 pupils.

The trustees of the Alfred Quimby Fund employ two teachers:—

Roy S. Pulsifer is headmaster of Quimby School and Ruth E. Pulsifer is the assistant.

The faithful work of the teachers should be appreciated. Too often parents fail to visit the schools and voice the kind regard they really feel for those who teach their children.

I earnestly wish some provision might be made for a special teacher of music and drawing.

I wish more girls from Sandwich would attend Normal School and train for teachers.

Quimby School

This school is still a source of delight to the superintendent and is proving a blessing to the boys and girls of Sandwich. With a total enrollment of twenty-five pupils, it has already assumed a place of major importance in the community. Boys and girls are securing an education which would be impossible if it were not for this school. There are now three classes. In one year more we shall graduate our first class. The courses are proving helpful and interesting. The courses in Domestic Arts and Shop Work are deservedly popular. The teachers are working hard and doing well. The cottage is attractively kept and serves as a community center. The pupils enjoy the work here and also the warm noon lunches and evening socials. We wish again to express special thanks to the trustees of the Alfred Quimby Fund for maintaining this school.

Repairs

General repairs were made in all the schoolhouses at the time of the summer cleaning. Painting inside, replacing of broken glass, thorough cleaning, fitting of screens, varnishing desks, and oiling floors were found to be necessary. Included also was the difficult task of placing the slate blackboards which were provided for both the grammar and primary rooms at the Center.

A new toilet has been arranged at Whiteface, thus enlarging the shed space for fuel. During the coming year, consideration should be given to enlarging wood space at East Sandwich and Lower Corner. It would be wise if chemical toilets could be installed at the Center School. Slate blackboards should be installed at Chick's Corner.

I still appreciate the co-operation of the School Board, teachers, pupils and citizens of Sandwich. The social gatherings have been helpful and delightful. I regret the illness of Dr. Hoag, who, for so many years, has been a devoted member of the school board.

The attendance was badly broken last year by sickness. It has been better thus far this year. The following pupils had a perfect record of attendance for the school year ending June 30, 1924.

Elwin I. Graves—East Sandwich School.

Richard G. Hatfield—Lower Corner School.

Lena L. Thompson—Quimby School.

Respectfully submitted,

F. W. JACKSON,
Superintendent of Schools.

February 1, 1925.
